Notes

- You don't need to support older browsers (IE)
- This image above is of the desktop view (1368px max width, edge to edge) - you may want to consider how your code looks on a smaller device
- The text content doesn't matter - lorem ipsum is fine
- Font is DM Sans.

Images for the code:

- https://pnp.matrix.squiz.cloud/_data/assets/image/0022/5647/robot-hand.png

Once your codepen is complete, send the link back via email.

Thanks!
